1. RIAS can no longer be received in Bezirk Halle. NWDR-Hamburg, on 700 kilocycles, is overpowered by Belgrade and is received only sporadically. NWDR, on 900 kilocycles, is blocked out by two Communist stations transmitting in that frequency range.
2. Southwest-Rhineland, on 1000 kilocycles, and Munich, on 780 kilocycles, can still be received. Munich at times is overpowered by a British station. Jamming of all news broadcasts of the Suedwestfunk station started early in October.
